Caramoor has a Special Offer for ALOFT Members

Of all the wonderful places in the world, Caramoor most certainly ranks among the very best. Music. Architecture. Art and all those glorious gardens just waiting for your visit. And, thanks to the generosity of Caramoor, ALOFT members can enjoy reduced rates for many events.

Walter and Lucie Rosen created the wonder of Caramoor and today it is described as: "A cornerstone of the cultural life of Westchester and beyond," certainly not an overstatement.

Each year, thousands experience music at its most grand in an unsurpassed environment. And, because Caramoor

is now an ALOFT Founding Affiliate, ALOFT members will be able to buy tickets at a generous 10% discount for all Thursday, Friday and Sunday afternoon concerts, as well as some Saturday evening performances, subject, of course, to availability. Just one more reason to become an ALOFT Founding Member.

In case you haven't heard, The official Caramoor International Music Festival begins with an opening night concert on June 27 and runs through August 2. But, don't wait for June 27 because there is much more to see and hear and it is happening right now. For instance, there are morning concerts, starting

May 5; Afternoon Teas starting May 7; concerts, musicales, house tours and garden tours.

If you haven't taken in the glories of Caramoor, plan to do so right now. If you are an experienced Caramoor fan, expand your participation by considering all of the events planned for another great season.

You can find out more by checking out Caramoor's website: Caramoor.org. Or, you can call 914 232 1252 and request that a program event brochure be sent to you.

This a great opportunity to enjoy Caramoor and be a part of its wonders. Plus a really good deal, thanks to Caramoor.

A small economic fact from the 50+ generation

If retailers and service providers tend to give the 50+ customer a little extra smile perhaps it's because they have been

reading the latest census and AARP research reports that point out that the 50+ generation is 41% of the population,

but controls 75% of the wealth in this country. That's another reason the list of ALOFT Affiliate members is growing.

Visit Six Museums in Westchester and Fairfield Counties. Pay only one admission fee. What a deal!

That's right. For the price of just one admission fee (senior, at that!) you can visit all of these museums: Aldrich Contemporary Art Museum, Bruce Museum, Hudson River Museum, Hudson Valley Center for Contemporary Art, Katonah Museum of Art, and Neuberger Museum of Art.

This newly formed alliance is designed to benefit arts enthusiasts and encourage museum visitation throughout the region. Beginning Saturday, May 2, the Fairfield Westchester Museum Alliance will offer free admission and a 10% store discount to members of any participating institu-

tion. If you are not a member, you pay just one admission at any one of the six participants and receive a same day free pass to all of the museums.

You can find details of current and planned exhibitions by visiting each museum's website.

What? You haven't yet become an ALOFT Founding Member?

ALOFT is growing every day in several directions, all designed to benefit both our members and our loyal ALOFT Affiliates with their valued perks designed just for ALOFT members.

The nice thing is that you can be an ALOFT Founding Member for a very modest fee. Think of it as a small

investment that can lead to very large and positive returns, something we all have been missing in the financial marketplace. Besides the very practical discounts from Affiliates, there is the growing array of information, seminars and advice about healthcare, security, finances and transportation that ALOFT pro-

vides -- all the things you need to thrive and live comfortably and securely in your own home in the community you call your own.

Call ALOFT today at 914 764 3014 to find out more about becoming an ALOFT Founding Member.

Why retailers and service providers should consider adding their name to ALOFT's valued Affiliate Roster.

As noted elsewhere, the over 50 contingent is just 41% of the population, but controls 75% of the wealth. That's reason enough to value these neighbors because they have the financial power to buy. More importantly, they need the services that you provide.

Services that allow them to enjoy their existing lifestyle and not be required to make a move that they would rather not make. What they wish to do is stay healthy, comfortable and secure. To help them reach this goal, ALOFT provides an updated list of those firms that

can meet members' requirements, both retailers and evaluated service providers. Check in with ALOFT today. Ask for our Affiliate information package. Call 914 764 3014 and get on the Affiliate Team.
