Program Presentation (Rescheduled from March 3, 2010)

Working to Create a Common Definition of IG Programs in Westchester

Help define how to talk to Policy Makers and Funders about the characteristics and Benefits of IG programs in Westchester.

This exercise will lead to standardization of the language used to describe IG programs and could lead to acceptable evaluation criteria and the case for funding. Be a part of the process and help determine the future of IG programs

Presenter

Barbara Turk, Senior Fellow, Community Resource Exchange

Barbara Turk has worked as a leader in government and non-profit agencies, an organizational consultant and executive coach, non-profit board member, educator and trainer, policy advocate, journalist, and community activist.
